### Walter Elwood Museum's 2017 Dairy Day

June 2017

Dear,

**Be a part of our history!** On Thursday, July 27th, the Walter Elwood Museum will host its **2017 Dairy Day**. The event will be held from 5- 8pm on the grounds of the Walter Elwood Museum at 100 Church Street in Amsterdam, New York. Formerly known as our Ice Cream Social and Summer Fest, we will highlight our history's rich Dairy and dairy farms past.

The Walter Elwood Museum is a vital resource in our community which provides year-round educational programming to children ages 3 and up. Enrichment programs are available during school breaks, on weekends and after school. The Museum also serves as a community center for area clubs and organizations. Exhibits at the Walter Elwood Museum highlight the historical and cultural significance of our City, its residents and the region. It is imperative that we continue to provide these services.

This event will feature family entertainment, including music, face painters, variety of rides, game, inflatable's, home-baked desserts, ice cream, and much more.

**We invite you to be a part of this exciting event by becoming a sponsor for the event on Thursday, July 27<sup>th</sup> from 5-8pm.** A sponsorship will afford you the unique opportunity to interact with families in our community. Please review the attached sponsor benefit packages which can be customized to meet your needs. If you require any additional information, please do not hesitate to call. Thank you in advance for your consideration. We look forward to your favorable response.

Warmest Regards,
