A letter from the Museum Director

It has been a busy year at the museum. We enjoyed many group and class visits from the classes at McNulty Academy as well as classes from Tecler and Marie Curie Magnet Schools, HFM BOCES and Lexington and Liberty Programs.

We had most of our Quilt collection evaluated by Kathy Greenwald and displayed & presented their history to the Gloversville Sew Busy Quilts Guild for their 20th Anniversary in February. Several of our quilts were selected to be included in Warmth, Remembrance, and Art exhibit at the TAUNY Center in Canton, NY from April to this October.

In April Suzanna Hunter, Gina Mintzer and I attended MANY Annual Conference in Lake Placid, NY and our visit to the WILD Center was inspirational!

We hosted many several camps for kids during February, April & Summer vacations taught by the ever talented Suzanna Hunter our Artist-in-Residence. Suzanna also taught fall & spring Clay classes. We are excited by our recent donation of a potter's wheel for Clay Classes this fall taught by Suzanna!

At the end of May we launched our third year of hosting a Farmer's Market every Saturday from 10-2. Many thanks to Dave's Dawgs, Arnolds Farm, Parsons Vegetable Farm & Ben Wallach for their continued commitment to bringing local farms and food to Amsterdam area residents.

We continue to assist and research many historian requests on a weekly basis and doing so adds to the rich history & heritage of the Museum and its collections.

Will Johnson completed his second summer college collections Internship thanks to the sponsorship of Janet Hayes of CA. He was able to accession many of the donated artifacts we received since last summer and continued to update and organize our Archival Collection. Thank you Will for all your dedication and hard work.

Thank you to all our Museum supporters who send their children and grand children to our camps, attended our events and programming like our Dairy Day this past August. Hope to see you all at our Holiday Open House and our NYS History Month event in November.
